Monthly Report – February 2008

North East Secretariat on Human Rights (NESoHR) has recorded the following Human Rights violations for the month of February 2008, details of which appear as attachments to this report:

Killings: 48 Tamil civilians (Out of this 11 were killed in air attacks, 10 in claymore mine attacks and the rest by shooting – These 27 killings took place outside Wanni in the military occupied areas)

Injured: 36 Tamil civilians were injured both in aerial, claymore mine and military shelling.

Surrendering in Human Rights office in Jaffna due to fear of attacks: 28 Tamil civilians

Disappearance: 29 Tamil civilians in the military occupied areas disappeared.

Arrested: 253 Tamil civilians have been arrested in various locations in the military occupied areas and mostly in Colombo only because they happen to be Tamils.

Since this report comes out at a time when UN's Human Rights units are in session, NESoHR considers it essential to make mention of issues that remain unresolved for years together in spite of being reported as and when they take place.

Closure of the only entrance/exit point to and from the Jaffna peninsula

The military check point at the A-9 thoroughfare in Muhamalai that provided access to and from the Jaffna peninsula was closed in mid August 2006 due to military operations and continues to remain closed since then. The civilian population of the Jaffna peninsula (600,000) remains cut off from the rest of the island for more than one year now. Jaffna peninsula did remain cut off for number of years prior to the cease fire agreement (CFA) of 2002. The re-opening of this highway was in fact the first benefit that the Tamil people got as a consequence of the CFA after protracted military offensives that kept them as perpetual refugee prisoners. That hard earned peace dividend, the unimpeded flow of persons and goods to and from the Jaffna peninsula, did not last long though the CFA remained operative at the time of closure in August 2006.

A highly expensive air passage and an equally expensive and hazardous sea passage remain the options for the civilian population in the Jaffna peninsula to get out of the open prison. In addition to this, one has to apply to the military authorities for travel permit and wait for months together to get an approval. The process of screening for travel permits is done through armed politico-military agents who are invariably members of para-military groups. These restrictions have brought social and economic interactions of the Tamil people with their brethren elsewhere to zero level.

Curfew and arbitrary restrictions on fishing

A dusk to dawn to curfew is operative in the fully military occupied Jaffna peninsula since August 2006, hampering day to day life of the civilians. Fishing is very much restricted and the military imposes whimsical bans on fishing, denying an unimpeded livelihood for the fishing population.

Re-settlement of forced evacuees – High Security Zones

Fertile farm lands occupied by the SL military as far back as 1990 in Palaly in the Valikamam division of the Jaffna peninsula continue to remain as such and the evicted farmers and fishermen families continue to be

refugees elsewhere. Tamils and Tamil speaking Muslim civilian population from many parts of North and East continue to suffer without proper arrangements for their resettlement in their natural habitats. The indigenous population of Sampur in the Trincomalee district was forcibly evicted from their habitat through a military offensive and those villages declared as earmarked for development and made inaccessible for the rightful owners. A gazette notification by the government has made these innocent people outlaws to their rightful homesteads. When these civilians filed an action in the Supreme Court, the bench ruled that the plea cannot be entertained for national security reasons.

Indiscriminate aerial bombing and clandestine claymore mine attacks on civilian targets

In spite of clear documentation and reporting of civilian casualties in aerial attacks and claymore mine attacks by the military, the government continues to deny responsibility for the killing of civilians. The only credible institution that can testify to facts relating to these incidents in the areas that are not under military occupation is NESoHR in the absence of an accredited UN body to report on such instances of human rights violations. Evidence of civilians getting killed or injured is available with the government hospitals, but Colombo adamantly rejects this evidence at all times alleging that it is fabricated evidence. Payment of compensation to victims of bomb blasts elsewhere in the island is instantaneous, but the Tamil people are never considered as eligible for such compensation. The Tamil people who are victims to this injustice are seeking a clear guide line from international human rights activists including the UN as to how best they can seek redress.

Arbitrary detentions in prisons and torture

Hundreds of Tamil civilians arrested as far back as 1990 under the Prevention of Terrorism Act (PTA) continue to be 'tortured inmates' in government prisons (Welikada, Kalutara, Boossa, etc) reportedly tortured for cooked up 'confessions'. These innocent victims, while awaiting a judicial resolution, have appealed to many human rights bodies for justice but to no avail.

Tamil parliamentary representation not of any use

In the Sri Lankan democratic dispensation since 1948, Tamil parliamentary representation has always been a de-valued affair. A Tamil vote is not equal to the Sinhala vote. Sinhala voters can bring about desired changes, but not so with the Tamil voter. Moderate parliamentary means to ask for the right share is unthinkable for the Tamil people. History of racial politics since the race riots against Tamils in 1958 has ample evidence of Tamil attempts to resolve the conflict through negotiated political means getting aborted due to Colombo's insincerity and deceit. The Tamil constituency has seen its elected representatives gunned down one after the other by design. Tamil legislators are denied legitimacy and the special privileges due to them as peoples' representatives have now become defunct. They are treated as non-entities in public by the state armed forces. Provision of security to Tamil parliamentarians has been subject to such nasty levels that many parliamentarians have to seek the intervention of the Supreme Court.

Local government elections in Batticaloa

Holding of Local Government elections in Batticaloa at this time when hundreds of thousands of people from the interiors of the district remain displaced is not a prudent move. Armed groups, some of them working with the state forces, are roaming around the district terrorizing people and silencing dissidents. Incidents involving abduction of candidates and threat to families are taking place on a daily basis. When already elected Tamil parliamentary representatives find that their voice is not heard, one is unable to see any sense in holding this election for local government bodies now, for the election is going to be a stage managed affair and government's sycophants are going to be 'elected' to show the world that Colombo is fully 'democratic'.

Tamil fear of an impending military offensive

The Tamil people living in the military unoccupied parts of the Wanni are in perpetual fear of being encircled by the SL military that has fortified its positions around and is engaged in an 'ambitious capture' plan. Helplessly, these people fear that they will be subject to heavy artillery shelling and aerial fire that would invariably imprison them alive or dead. A massive humanitarian tragedy would unfold in the Wanni killing innocent civilians, if this impending disastrous military plan is carried out as professed.

Responsibility

The civilized world has a moral responsibility to act effectively in restoring the rights of a people who have suffered the vagaries of a civil war and military oppression for an unduly long period of time. Absence of a political arrangement that would provide to the Tamil people their due share in governance is the crux of the problem and this must be done at the earliest to avoid further disintegration. Respect for human rights cannot come from a vacuum. A concrete political framework that provides for equality and dignity is the need of the time and NESoHR as the only Human Rights body of the Tamil people solicits early remedial measures.

It is also appropriate to recall that the anniversary of the below listed genocidal mass killings of Tamil civilians.

Ganeshapuram - A Village Colony Bombed - 02 Killed and 02 Badly Injured – 05.02.2008

Ganeshapuram is one of the oldest colonies situated in very close proximity to the Kilinochchi town. K Fir bombers circled this village at 03.35 p.m. on 05.02.2008 and indiscriminately bombed that village killing two and injuring another two. The presence of the mind of the villagers to either prostrate on the ground or jump into a bunker minimized the death toll.

Those killed are:-

1. Swaminathan Kokilanathan (aged 44) and father of 05 children.
2. Sellakandu Jegatheeswaran Alias (Sinnarasu); father of 07.

Those injured are:-

1. Paupathy Umaraj (33)
2. Shanmugaraj Gunaraj

Both are admitted at the Kilinochchi hospital.

The bombs demolished two houses completely and partly damaged five more. Those whose houses were completely damaged have found refuge with relatives. Several productive plants were also destroyed.

The offices of the International Non-Governmental Organisations (INGOs) the UNDP and the UNHCR were only 150 metres away from the bombed area. The famous Hindu Temple reverently called the Kanthaswamy Kovil (Temple) is also situated in that vicinity.

Since this incident took place almost on the periphery of the Kilinochchi town the employees of the business establishments in the town, the teachers and children from the nearby schools, workers attached to the INGOs and the business community were panic stricken and running amok in a frenzied manner. Some even jumped inside the canal and a few sort refuge under bridges on the A-9 highway.

It is noteworthy that as a result of such indiscriminate bombings 157 were killed and 414 were injured since 25.04.2006

Mr.S.Thiruvarudchelvam an employee from the UNDP Programme Association states:-

"I was at the Divisional Decretariat when this occurred. I was crouching under a tree. I knew that the bomb must have fallen on or near my house. My wife was alone in the house with our daughter so I tried to run there but my friends prevented me. Once the bombing ceased I ran there to see my house was damaged but my wife wasn't there. I ran into the opposite house where my cousin lives and I saw his dead body severely battered. I was scared, lost the capacity to think, felt so helpless with the thought of my wife and finally I ran back home and went into our backyard to find my wife lying unconscious under a banana plant. Luckily she was not hurt. She regained consciousness shortly. Our house and our fruit bearing garden were destroyed. It is

a miracle that my wife escaped narrowly."

Mrs.Santhakumar Latha (29) living in that area said:-

"I have three children and my husband is a musician. Two of our eldest children had gone for tuition. The youngest daughter (5 years old) was with me. I was grinding oorid dhal when I heard the terrifying sound of the K Fir in close quarters. I did not know what to do. We do not have a bunker either. Suddenly I heard the bomb blast. So I hugged my daughter and lied down on the floor. When everything was quiet I came out to see several splinters on our courtyard. I held the hand of my daughter and ran to the Temple, where I saw my husband and our son standing with a scared look

on their faces. I sighed with relief."

On the same day civilian settlements at Puthukudiyiruppu and Kaiveli in the Mullaitivu district were also bombed at 10.30 a.m. 03 civilians were injured. On the following day (06.02.2008) another civilian settlement – Thiruvaiaru – near the Thiruvaiaru Maha Vidhiyalayam was bombed; two including a female student were injured.

9 People Killed including mother + 2 Children & 11 civilians severely injured

A civilian settlement adjoining Murugan Temple at Kiranchi, Poonakari in the Kilinochchi division was indiscriminately bombed at 8.15am on 22 Feb 2008 by several bombers from the Sri Lanka Air Force (SLAF). The Deputy Secretary General of the United Nations (DSGUN) Ms. Angela Cane came to Sri Lanka on 20.02.2008 to familiarize herself of the Human Rights violations in Sri Lanka. She is expected to be here for a week.

165 civilians including infants and children were killed since bombing spree commenced on 25.04.2006. A further 431 civilians were injured. Billions of rupees worth of properties were destroyed.

S. Sasiharan, whose wife Gowrinayaki, children Gajeevan and Tamilventhan were killed during this barbaric incident, was anxiously waiting outside the intensive care unit (ICU) at the Kilinochchi hospital where his remaining son Karunyan was being treated. The father was understandably in tears fervently hoping that at least this son would survive.

He said: "I normally go one kilometer into the sea for fishing. On this dreaded day too I went fishing and was on the verge of returning when I saw bombers coming with petrifying noise and bombing coastal settlements. I was able to see several bombs being dropped but could not clearly envisage the exact locality of the attack. It was only after the bombing episode ceased we got information that our house had got hit. So we hurried home. We ran towards my home but it was not there; yes it was not there. It was from the debris I was able to fathom out that it was my home that had been demolished. My wife and children, who bid me save journey in the early hours, were not there. When I searched for them there were few dead bodies in that vicinity and I saw my wife." (At this juncture he broke down and sobbed bitterly) "She was lifelessly lying there and beside her was my 06 months old infant. Our other son was also lying dead nearby. When I started to look out for our third son, I was told that he had been removed to the hospital. Within a matter of minutes my whole family has been wiped out."

On 11.02.1996 at 4.00 pm people heard firing noises. The frightened people ran into the large forest area near the Allaikulam and hid there. Some people stayed at home. In the home of Alaguthurai, eight members of the family stayed at home. All eight of them were shot dead in their home by the military.

4. Vankalai massacre - 17.02.1991

Vankalai is a coastal village in the Mannar district. Following the blowing up of the road bridge at the main entry point into Mannar as well as the Railway Bridge into Mannar, people from Mannar traveled to Colombo by sea from Thalvuppadu through Katpiddi.

In this situation, the people of Vankalai displaced from their village, unable to bear the harassments of the Sri Lankan military. The military forcefully evicted those who have not displaced on their own. The military then removed all the valuable things from the homes and send to their own homes in the south of the island.

It was in this situation that the Principal of the Vankalai Mahavidyalayam school, Sebamalai, a teacher from Vankalai, Justin Lambert, and a few others went to Colombo through Katpiddy to purchase some items for their homes. They were returning from Colombo on 16.02.1991. They arrived at Thalvuppadu and spend the night there. Next day at 10.00 am they started their trip to Kaththankulam through Vankalai on bicycles.

When they arrived at the Vankalai junction, Sebamalai, Lambert, another teacher and a boy, were stopped. Their hands were tied with rope and they were blind folded. People who arrived at the junction after them saw this and went and complained to the Bishop of Mannar. Since the travelers did not arrive home even the next day, the Bishop and the relatives of the travelers went to the Thalladi military camp, obtained their permission, and arrived at the Vankalai camp to look for them. The military stopped the Bishop and the relatives from entering Vankalai. Yet, two of the relatives went to the nearby home of a teacher. Since the doors were open they went inside and found blood. They went behind the house and saw the bodies of five people in the well cut into pieces. Yet, given the situation they could not recover the bodies.

When in 1993 the people of Vankalai resettled in their homes, they found that the well in the teacher's house has been filled up. The skeletons of the five bodies were lying in front of the well. 6. Udumbankulam massacre - 19.02.1985

Udumpankulan and Thankavelayuthapuram are situated near the Thirukovil area in the Amparai district. On 19.02.1985, early in the morning, 85 Sri Lankan military personnel from the Amparai military camp arrived in six military vehicles in Thankavelayuthapuram and Udumpankulan villages. Some of the military were in camouflage uniform and others in blue uniform. They went into the paddy fields where hundreds of poor farmers were busy with harvesting work. They were carrying weapons. They rounded up 103 people in the fields and took them to the forest nearby. There they raped and

cut the breasts off from the women and killed them. Others were lined up and shot dead. In total 103 people were killed including many children. The military spread the harvested hay over the bodies and set fire to it.

Ms. TK, who was a victim of rape and eye witness to the massacres that took place in the paddy fields of Udumpankulam, related her story: *"On the night, the Army which came from Kondavedduvan camp rounded up all the people working in the paddy field. Then they started shooting the men. They raped five of us. We pleaded with the soldiers not to do anything to us. But they all raped us, in line in the paddy field itself. As we couldn't bear-up the pain, gradually we lost consciousness.*

After an hour or so we recovered and ran into a cave of a mountain. From there we saw the soldiers covering all the bodies with paddy sacks and dried grass and setting fire to those bodies. After two days Akaraipattu Citizen Committee President Mr. Ahamad Lebbai, General Secretary, S. T. Moorthy, Deputy President, Rev. Fr. Philip, and Batticaloa Citizen committee President, Rev. Chandra Fernando, accompanied by press reporters came to the paddy field. The air in that area was laden with repulsive smell of decomposing bodies and they saw bodies half burnt.

They found that there were 66 people massacred. They took photographs of all the bodies. They recorded our statements as well. Even Kalawana Member of Parliament, Sarath Muthugama, spoke about this massacre in the parliament. All those efforts were of no avail. There is no justice here. No compensation was paid either to members of the family of the victims or to us who were raped by the soldiers."
